

ICTS MINI PC

Size is small, full in performance

Power, space-saving design:

- Smaller than desktop PC, it can fit almost anywhere vertically or horizontally with easily serviceable design.
- Its takes just 60w power consumption.
- The ICTS MINI PC withstands 24/7 sustenance which is tested under ICTS Total Test Process, so you get confidence built right in.

ICTS Mini PC functionality:

- High Productivity with almost zero downtime. Enjoy customization that allows your PC to evolve with your business.
- Power through your day with speed and performance. Get the latest in processing technology with your choice of 4th Generation Intel® Core™ processors, Intel® Hyper-Threading Technology, Intel® Virtualization Technology (VT-x) , Thermal Monitoring Technologies, Enhanced Intel SpeedStep® Technology, Intel® Quick Sync Video, Enhanced Intel SpeedStep® Technology, Intel® InTru™ 3D Technology, Anti-Theft Technology.
- Enjoy easy and simple integration into your IT environment.

Green with envy:

- Low energy consumption levels, supports 24x7 operations. Consuming less than 60 W of power.
- Its green computing Product of ICTS. Go green with ICTS.

**ICTS MINI PC**

Operating systems	Supports All Windows operating systems and Linux
Processors	Intel® Celeron™, Intel® Pentium® and 4th Generation Core™ i3, i5, and i7
Chipset	Intel® H81 chipset
Memory	1600 MHz DDR3 RAM; (2) slots enabling up to 16 GB
Internal storage	500GB SATA hard drive; Extendable upto 2 TB Solid-state hybrid drive; Extendable upto 256 GB Opal self-encrypting solid-state drive (SSD)
Removable storage	USB External DVD/RW Drive(Optional)
Ports and connectors	Front: 3.5 mm headphone output and microphone jacks, (2)USB 2.0 ports; Rear: (1) PS2 keyboard/mouse common port, (1)HDMI port (1)VGA port, (1)COM port,(4)USB 2.0 ports,(2)USB 3.0 ports (1)RJ45 port,(3)ports audio jacks
Expansion slots	(1) Internal M.2 connector for optional SSD drive (1) Mini PCIe (half size) slot
BIOS Features	64MB flash EEPROM w/LAN boot PnP, ACPI, WfM, DMI 2.0

Bays	(1) 2.5 in. internal storage drive bay
Graphics	Integrated Intel® HD Graphics
Audio	5.1 channel HD Audio
Communication	Integrated Intel® Gigabit Network Connection
Input devices	USB keyboard/mouse, wireless keyboard and mouse, PS2 keyboard/mouse
Power	120W DC-DC Board and 12V/5A AC Adapter
Warranty and services	3 Years On Site Warranty, including telephone support
Weight	N.W 1.5kgs, G.W 2.5kgs
Chassis Dimensions	60*190*255mm (W*H*D)
Color	Block, Silver
Other Expansion	External SATA+4 PIN port (Optional)
